STUDENT

WORK EXPERIENCE

McDonald's

(June 2022 - October 2022) Benicia, CA

Team Crew Member that worked with customer service, and attended to consumer needs. Experience was gained in corporation management, and worked with others to complete objectives. Learned the core events that come with customer service, and how to properly address buyers.

Car Detailing

(2018 - Present) Benicia, CA

Self-employed car detailer that networks with various clientele. Knowledge of the detailing process was self-taught, and by the help of his father. Success in detailing is shared across by frequenters on various social media platforms, gaining more customers.

STEAM Festival

(2023 - Present) Fairfield, CA

Volunteered and helped set up the STEAM Festival located at the Solano Community College in Fairfield, CA. Networked with current, and other professors in order to further connections and establish relationships. The festival allows for students and others to display projects and means of works that qualify within the S.T.E.A.M. acronym.
